The Warmth of Woodgrain

The brightness of windows goes a long way beyond the light they let in... They can add real character and style to your home, either complementing and blending in with its existing appearance or making a statement in their own right, the choice is yours.

The right choice of windows also means you can keep in more warmth, fend off the worst of the weather and keep intruders at bay, all with the very minimum of maintenance for many years to come.

Our woodgrain selection of windows includes, Lightoak, Rosewood, Blackash and Anthracite Grey. These fantastic range of colours are complimented by a range of matching fascias, cladding and guttering.

The world's favourite lock since 1843

Yale offers outstanding protection against forced entry and our Lifetime Security Guarantee adds an extra line of defence. Choose Yale door and window hardware and entitle your customer to:

Up to £1000 towards home insurance excess

In the unlikely event of a break-in, we'll pay up to £1000 towards your customer's home insurance excess to make sure they're not left out of pocket.

Up to £1000 towards repairs or replacements

Our products are always designed to stand the test of time. That's why if a Yale component fails, we'll pay up to £1000 for repairs or replacements.

£1000 compensation

If a break-in is caused by failure of a Yale component, we'll do all we can to make it right. That includes paying £1000 compensation to the homeowner to apologise for the distress caused.

Quality & Craftsmanship

All UPVC windows and doors manufactured by Total Glass, our primary supply partner, benefit from Yale hardware

The complete window package

Put the power of Yale into your window.

Choose from a wide range of Yale locks, handles and hinges to create your PAS 24 certified window and access all the benefits you'd expect from a leading global security brand.

Safety as standard

All Yale hardware is designed to meet or exceed current British safety and security standards, and comes with the following accreditations.

PAS 24*
British Standards Institute accredited security, weather proofing and service life performance.

* Must be to current PAS 24 standard

Secured by Design

Police preferred specification accredited security product of the official UK Police flagship initiative, supporting the principles of 'designing out crime'.

The complete door package

Put the power of Yale into your door.

Our Lifetime Security Guarantee is now available for doors when you choose a secure combination of Yale hardware. Select a Yale multi-point lock and Yale cylinder and a handle set, letterplate and hinge set. Together, they form your PAS 24* approved door, backed by our extensive Lifetime Security Guarantee

A ++ Rated

Triple Glazing

● Excellent Noise Pollution reduction.

● 5 x Chambered Profile reinforced with RCM to increase the thermal performance of the window and then welded to reinforce the corners.

● Bubblex post co-extruded weather seals.

PLANITHERM[®]

Clearly the most energy efficient window glass

Double and Triple Glazing with a Solar Coating and Argon Gas filled...

Not only do we install a deep triple glazed unit. It is manufactured with the optimum space between the panes, we coat the inside pane with an invisible coating called "Planitherm" and then we fill the space between the glass with an invisible, inert gas that acts as an additional thermal barrier. We seal the gas into the unit with a hermetical or "Airtight Seal" which is certified to BS EN 1279-2 and BS EN 1279-3. This guarantees the concentration of gas, leakage rate and moisture penetration of the unit over 15 years.

 **TRUSTPILOT**

Durable Elegance

PVC-U is the most generally suitable type of material for a lot of people. Basically because it is virtually maintenance free, is long lasting and cost effective. By fitting it to your home you are getting rid of rotting, rusting and general degradation to your roofline. Our roofline products come in a wide range of finishes.

Freefoam
50 Year
Guarantee

As a Freefoam approved Partner, JWS Home Improvements Ltd. installations are covered by Freefoam's 50 Year extended guarantee. Property details must be registered online within one month from the installation date. Backed by Freefoam's environmentally friendly, lead free formulation; the 50 year guarantee applies to all products and colours with the exception of foiled woodgrain products which are covered by a 10 Year guarantee.

To Top It All *Update your existing conservatory with a modern lightweight roof*

Don't Just Take Our Word For It

See what our satisfied customers have to say about us...

See many more reviews
from genuine customers
at...

Dear JWS
Just wanted to say thanks for helping us out of a tight spot.
We had so many setbacks and were feeling pretty fed up about being
let down about the windows. We were very grateful for your help
and the JWS windows look FAB !
Thanks again. I owe you one !
From
Les & Ian Parr (Eccleston)

Dear Sirs
We are writing to thank you for an excellent job on our porch front.
From the canvasser, salesman, surveyor and installers. Carried out
with the utmost professionalism and friendliness.
Your installers did a superb job, we were both impressed with all
aspects of their work - clean and very efficient.
Thank you again, for a job well done.
Ann & Malcolm Fish
(Huyton, Liverpool)

Dear Sirs
I recently had a conservatory installed by JWS.
I would like to express my sincere thanks to your staff for their
kindness & courtesy and to all who worked so hard on the
installation. I am very pleased with the quality of the products used
and the installation, together making a first class job. I would have
no hesitation what so ever in recommending your company.
Yours faithfully
E. Comerford (St. Helens)

Dear JWS,
My mum and dad have asked me to let JWS know how grateful and
appreciative they are with all the help they received. They could
not have had any better service than they got, everyone shot round
there and sorted the problem out straight away. They said they
can't thank everyone enough for that. The door looks great, they
say it looks a lot more classy than the old one. I must admit it looks
more solid, which makes them feel much safer.
Thanks again for all your help and please wish everyone a Merry
Xmas
Julie (Eccleston)

Dear JWS
Thanks for replacing my old door with your 'crime beater'.
I really couldn't have asked for a more secure front door. It was a
painless installation process. I have already recommended you to
some of my pals.
Steve and Liz (Newton - le - Willows)

Dear JWS
I would like to pass on my thanks and appreciation to the team
included in organising and then installing my new porch doors.
Each person was helpful, courteous and prompt and I would
certainly use your company again in the future.
Kind Regards
Sharon Conner (Merseyside)

Dear Sirs
We would like to thank you for the service provided by your team
from the start, by firstly leaflet calling and then the appointment.
Especially Dave the Salesman, a genuine man.
Followed by installation by the fitting boys.
A service that can be definitely recommended.
Yours faithfully
Mr & Mrs Bibby (Warrington)

Dear JWS,
I have just had to write you this note to tell you how very pleased I
am with the new front door. It is perfect for my requirements, the
type of front door lock is ideal for people on their own like me.
The service you gave me was 1st Class
Thank you so much
Marian (St. Helens)

Dear JWS,
I just had to write and tell you, how impressed I am with the recent
installation of 2 bay windows, 2 bedroom windows and a porch.
The quality, workmanship and installation is 2nd to none. Please
convey my thanks to your backroom staff and especially to your
installing fitters. Who I highly commend for their professionalism
and dedication.
Your Sincerely
Cyril Rodgers (Manchester)

FAO Customer Services
I am just writing to you to let you know I have just had 2 windows
fitted by your fitters.
I am really pleased with the finished product.
I was a bit dubious about the bathroom window which is tiled all the
way around the window, but they have done a really neat job and
finished it off well.
So thanks again
Mr J Lucas (Wigan)

Dear Steve,
Brilliant job on the installation of my new conservatory and
windows. Everything went so well, right from the start.
Sales, survey, installation - all went great, I cannot thank you and
the guys enough. Wouldn't hesitate to recommend your company.
Keep it up
Antonio Gomez Aspron
(Wargrave, Merseyside)

Dear JWS
Just a few lines to say a big thank you for your excellent product
and first class service you provided.
Also the efficiency and cleanliness of the workmen who fitted them.
From a very satisfied customer.
Mr & Mrs J Holderness (Billinge)

Quality Assured National Warranties

Quality Assured National Warranties (JWS Home Improvements Ltd Membership No. WSL 26055) QANW is one of the UK's leading providers of insurance backed guarantees and deposit protection insurance.

We work closely with building contractors and trade associations from all over the British Isles to allow them to offer an additional degree of consumer protection for their products and standards of workmanship.

The consumer protection we offer comes in the form of policies of insurance in favour of the householder. These are issued directly by us, to you, whenever you have work done by a participating contractor.

With JWS Home Improvements Ltd your deposit is insured from the moment you place your order and upon completion of the work your guarantee is insurance backed for the full ten year period.

For more information please visit www.qanw.co.uk/consumers/

Information Commissioner's Office (JWS Home Improvements Ltd Registration No. ZA231595)

The UK's Independent authority set up to uphold information rights in the public interest; promoting data privacy for individuals.

The Data Protection Act 1998 requires every organisation that processes personal information to register with the Information Commissioner's Office (ICO), unless they are exempt. Failure to do so is a criminal offence. There are more than 400,000 registered data controllers. We publish the name and address of these data controllers, as well as a description of the kind of processing they do.

For Your Peace Of Mind

WHAT IS TRUSTMARK?

TrustMark is the only Government endorsed scheme for trades in and around the home. We award registered firms with our accreditation after thorough vetting and on-site inspections to ensure the firm is raising industry standards.

This accreditation gives customers reassurance of quality and protection from rogue traders. TrustMark is the only tradesperson scheme to cover all 3 cornerstones of quality:

3 CORNERSTONES OF QUALITY

Good Trading Practices

Good Customer Service

Technical Competence

If you would like to know more about the standards TrustMark expect of its members please visit www.trustmark.org.uk

WHAT IS FENSA?

FENSA was established as a Competent Person Scheme (CPS) in April 2002 as a response to the Building Regulations for double glazing companies in England and Wales. As the market leader, FENSA is the largest and longest established Competent Person Scheme within the replacement window and door industry.

Our role for FENSA members is to enable companies to self-certify compliance under the Building Regulations without the need for a separate assessment from Building Control.

FENSA members are continually inspected to ensure consistency with the relevant Building Regulations. By using a FENSA member consumers are protected from cowboys that do not adhere to Building Regulation Standards – not only by withholding the scheme from those unable to pass FENSA's independent assessments; but also by reporting to Local Authorities and Trading Standards companies who wrongly claim FENSA registration, to enable prosecution.

FENSA INSTALLERS

Why use a FENSA member?

- You do not have to register your window or door installation with the local authority yourself. Not only is the FENSA approach much faster and easier – it is likely to save you hundreds of pounds.
- Compliance with the Building Regulations without the added cost and time of arranging assessment by Building Control
- If you own properties across different local authorities – for consistency of quality and price, you are able to use the same FENSA installer for all installations, as they can work in across all Local Authority jurisdictions within England and Wales.

Further details can be found at www.fensa.org.uk
